## Welcome to UMBC Residential Life's 2018 Housing Selection!

### Housing Selection is Warming Up!

Welcome to UMBC Residential Life's 2018 Housing Selection! This process will allow you to choose a room to live on campus for next year. Our system is fully online and will allow you to participate in Housing Selection using your smartphone, tablet, or any computer. Just apply, connect, and select. First 500 students to apply will receive a Residential Life hat!

What's the scoop?

- Commuters may participate fully in Selection! Must be part of a group for Residential Life housing – come to the Residential Life office in Erickson Hall 184 with a current residential group member to fill out a “commuter pass” form. May apply as an individual or as part of a group for Walker Avenue Apartments with 39+ credits. To apply for Walker simply fill out the on-line application for Walker.
- No 3-person groups will be able to participate in Selection. If you have a group of 3 you will need to find a 4<sup>th</sup> person through the Roommate Searching feature or by attending the Roommate Mixer hosted by the Resident Student Association (RSA) on March 7 @ 7:30 p.m. in the Apartment Community Center. Students seeking to obtain a triple or quad room should stop in at the Residential Life office to make the request at Erickson Hall 184.
- Facebook Live Session to let you get Housing Selection Info any time!
- 4-person groups **DO NOT** receive priority for apartments – Housing Selection is based on your academic credits only as of winter session and your group credit average if you are selecting as a group.
- Apartment cut-off Res Life Apartment Hillside, Terrace and West Hill: Many students hope to be able to select an apartment. Remember that the typical apartment cut-off is approximately a 50 credit group average. That cut-off can vary depending on how many students are selecting apartments. So, for example, a group of four students who are freshmen this year who each obtained 15 credits as of winter session has a group credit average of 15. This group should not plan on obtaining an apartment with that group credit average.
- Apartment cut-off Walker Avenue Apartments: Most students with 39+ credits who apply to Walker will obtain an apartment through Housing Selection. Since each member of your group must have 39+ credits to apply for Walker the competition for apartments at that facility is somewhat less. So, for example, a group of rising juniors with 39 credits each as of winter session has a group credit average of 39. This group typically will be able to obtain an apartment if they have applied for Walker Avenue apartments.

## Roommate Searching Module

Get ready to find a roommate! You can filter for students with similar preferences to find a good match for the next academic year. The roommates module allows you to filter on items such as sleep habits, room condition, allergies, and more. You can send a potential roommate a message through our system. That person will need to accept your Roommate offer before you become a group. You may choose to not have your profile searched at any time by setting your **My Account > Matching Profile Visibility** to “**Hide**”. You may also form groups with specific roommates you already know by having one person indicate the roommate’s code. You may form groups of 1, 2, or 4. **NO GROUPS OF THREE WILL BE ABLE TO PARTICIPATE IN HOUSING SELECTION 2018!**

## Roommate Mixer – Come to this event to meet a new roommate in person!

Come to this meet and greet on March 7 at 7:30 p.m. in the Apartment Community Center! Qdoba food will be provided with a great social atmosphere to help you find a great match!

## Gender Inclusive Housing

If you are interested in living with students regardless of biological sex you may participate in Gender Inclusive housing. You will form Gender Inclusive groups (which may include mixed sex groups) between March 28th and March 29th. During on-line Housing Selection you will see spaces that are designated as Gender Inclusive. The same credit process applies for Gender Inclusive housing. Remember the apartment cut-off is typically around a 50 credit group average. **Please also note that Residential Life does not recommend Gender Inclusive housing for students who are in a romantic relationship.** When relationships change this can put a significant strain on the roommate relationship and has contributed to roommate conflicts in the past.

## Living Learning Communities (LLCs)

You should work closely with the Program Coordinator for your floor to determine if you are eligible to return to the floor. If you cannot return to the floor, you’ll need to make another choice during Housing Selection. If you’re interested in returning to your same Living Learning Community please fill out — “Living Learning Communities: I am currently living on a Living Learning Community floor/ wing and would like to return to the same community for the 2018-2019 academic year” on your application. You must submit your housing application and license by the March 27th deadline.

## 9-month, Continuous Occupancy Housing

If you need housing where you want to live on campus during Winter and Spring breaks you should select from the 9-month housing options which include all apartments on campus: Hillside, Terrace, West Hill and Walker Avenue apartments. Potomac Hall is also a 9-month community as are the following floors in Harbor Hall: 1<sup>st</sup> North, 1<sup>st</sup> West, 2<sup>nd</sup> South, 2<sup>nd</sup> West, 3<sup>rd</sup> South, and 3<sup>rd</sup> West. Please note that students choosing Harbor Hall or Potomac Hall must purchase a minimum of a \$50 flex meal plan for January term as part of the housing license whether or not students plan to reside in housing for the month of January.

## Quiet Lifestyle

Quiet Lifestyle floors enjoy extended quiet hours per community agreement. These floors are:

- Chesapeake 3rd West
- Erickson 4th South
- Harbor 4th South
- Patapsco Basement East
- Potomac Basement South
- Hillside – Elk
- Terrace – Chincoteague
- West Hill – Part of Wye

## Meal Plans

Please note that you will be billed for the meal plan you select on your housing application. If you wish to change your meal plan you will need to contact the Campus Card office directly after July 1st by sending them an RT ticket from the “help” tab in your myUMBC account. If you do not select a meal plan and you are assigned to a residence hall, you will automatically be billed for the 12-meal-a-week plan. All students living in a residence hall are required to be on a meal plan. **Students living in Potomac and Harbor 9-month housing are required to purchase a winter session meal plan of at least a \$50 flex plan.**

## Housing for Students with Special Needs

If you are currently in a space for a disability or medical accommodation, remember to submit your application and housing license by the March 27th deadline. You must work with Valerie Valentine: [valerie@umbc.edu](mailto:valerie@umbc.edu) or call [410-455-8496](tel:410-455-8496) in [Student Disability Services](#) for any kind of housing accommodation.

## Requesting Transfers or Incoming Freshmen as Roommates

Due to the different housing selection cycles, current residential students are not able to select incoming freshmen or transfer students as roommates during the Housing Selection process.

Apply at the Residential Life Office Erickson Hall 184 to request to add a current commuting student (student who lives off campus this semester) to your group (3 person groups will not be honored). A limited number of Commuter pull-ins will be offered to current commuting students who would like to participate in Housing Selection with a group of current residential students for Residential Life housing. Commuting students may apply as an individual or as part of a group at Walker Avenue Apartments.
