

RESIDENTIAL LIFE

September 25, 2020

Dear Residents and Families,

We are looking for the support of students and families to help us make some informed decisions about closing as we prepare for the end of the fall housing license period.

All residential students are expected to completely vacate by November 25, 2020 at 8 p.m.

(Thanksgiving Break), this includes taking their items home. Walker Avenue Residents do not need to vacate at Thanksgiving Break. However, in an effort to maintain social distancing in the halls, we will not be able to facilitate the move-out of all students on one day.

We ask that you please complete this [two-minute survey](#) by October 4, 2020 to help us best plan for this process. Using the information we collect, we will share more information for students about closing instructions on or before October 25, 2020.
