Information Sessions about the DM Position

If you are interested in receiving more one-on-one information about the DM position, you can talk to a current DM or any Community Director (CD). Also, Residential Life will be offering several information sessions throughout the fall semester for you to attend to view a presentation on the positions and get your specific questions answered by our current staff members. You can ask the presenters about their own experiences and learn about each position. Attending an Information Session is not required to apply for a position.

Interview Tips

Part of our selection process are interviews with 2-3 of our current staff members. Here are some tips you may want to consider as you prepare for your individual interview.

1. Prepare for your interview – talk to current staff, think about the questions you may like to ask, and think about the kinds of questions you might be asked as well as personal experiences you might be able to reference in your responses.
2. Be on time – arrive 5-10 minutes prior to the scheduled interview time. This will allow you to relax and gather your thoughts before beginning the interview.
3. Professional dress is preferred-- wear clothes that are appropriate in a professional setting. Cardigan sweaters, khaki pants, and button-down shirts are a few options.
4. Be prepared with questions. The interview is a great time to be with current staff and ask them questions you might have about the positions and the office!

What do we consider in the Paraprofessional Selection Process?

Every part of the Paraprofessional Selection Process is important and is considered when making final selection decisions. Your past behavior within the residential or campus community is also considered. Factors we evaluate include, but are not limited to:

- Your application is reviewed for completeness, accuracy, and timeliness. Your short answers are reviewed for depth of thought, coherence of message, and freedom from errors. References are reviewed and reviewers' comments are considered.
- The interviews are designed to judge your understanding of important concepts related to the position, your ability to put those concepts into words, and to provide examples of how you would respond in the position. Questions for each position are different, but all candidates should think about the following topics:

- How strong communities are built
 - The impact of positive and negative student behavior on a community
 - How you help other students resolve problems or concerns
 - How you work on a team of 8 to 18 people
 - How you will handle this new commitment, should you be hired
 - How you will function in an environment that is multicultural and celebrative of difference
 - How you resolve ethical dilemmas and what the importance of role modeling is
 - The role of “customer service” in the position for which you have applied
- Ways in which Residential Life or UMBC staff have seen you resolve interpersonal conflicts, positively or negatively contribute to your community, or act in groups (student organizations, on your floor, at programs or events, and so on).

Alternate Positions

Every year a number of applicants are chosen as alternates. Being chosen as an alternate means that you are qualified for the position, but we did not have enough vacant positions to offer you a job at this time. Frequently, alternates are offered positions over the summer because some people who have been hired decide they are not able to take the job. Additionally, alternates can be offered positions throughout the course of the academic year. If you are not offered a position during the year, alternates are guaranteed employment for the 2022-2023 academic year. This means you do not need to reapply for the same job the next year.

As an alternate, if a position is offered to you and you choose to decline it, you will be removed from the alternate pool and must reapply if you want a position for the next academic year.

Once you receive the letter stating you are an alternate, you must let Residential Life know that you are accepting the position. If you accept the alternate position, you will need to attend all Spring semester and August training sessions and take the Psych 215 class in the fall semester.

Fall Training

It is mandatory for all applicants who are hired and who accept the position to attend training sessions throughout the year. Training will occur in August and usually begins about two weeks before freshmen move into the halls. August training is mandatory as well and you cannot be a paraprofessional for the 2021-2022 academic year if you do not attend. Training can be intense as it usually begins around 9:00am and ends in the evening but is also a ton of fun!

If you have concerns regarding mandatory training sessions, you can talk to a current paraprofessional, any CD, or contact the Selection Committee.

Psych 215 (Paraprofessional Class)

All Desk Managers who are hired or chosen as alternates need to register for Psych 215. This is a mandatory class for all paraprofessionals to take during the fall semester. You must pass the class with a C or better in order to continue your employment with Residential Life. More information about when the class will be offered and how to sign up for the class will be included in the letter you receive if you are hired or chosen as an alternate.

Paraprofessional Selection and Housing Selection

Offers for DM positions will be made prior to the deadline to submit housing applications for the

next year. If you are offered a position and plan to accept it, you must submit your housing application by the deadline. If you plan to live on-campus next year regardless of whether you are in the position or not, you must submit your housing application by the deadline. If you are unsure that, or know that, you don't want to live-on campus next year, do not submit an application until you are offered a position.

DMs assigned to the apartments and Harbor Hall are able to pick at least one roommate, if they wish.

For questions about how applying for a paraprofessional position will impact your Housing Selection process, contact Operations at 410-455-8832.

Other Residential Life Involvement Opportunities

If you are not hired as a paraprofessional, there are other opportunities for you to get involved with Residential Life which will help to prepare you more for the next time you apply. These opportunities include:

CC – Each community has a CC (Community Council), which is a residential student organization that plans activities and works on improvements for the community. Contact your community director if you are interested in getting involved with your community's CC.

RSA – RSA stands for Resident Student Association. This group governs all of the CCs and helps to create activities and policies for residential students. There are opportunities to get involved on local, regional, and national levels through this organization. If you want more information on how to get involved in RSA, contact Paisley Martin at paisleym@umbc.edu.

Desk Receptionist – Every residential community, except Walker Avenue Apartments, has a desk that is staffed by students. In the residence halls, these desks are open 24 hours a day. Desk receptionist positions are paid hourly and they must also attend mandatory training. If you are interested in applying for a desk staff position, applications will be available on the Residential Life website for the 2021-2022 later during summer 2021.
